Schindler

We have created an
innovative product
designed
to adapt to your
imagination

Envision designing your home with
no limit to your imagination.
Now, imagine making your vision come
true with no structural limitations.
Meet Schindler X8, the ideal solution
to seamlessly blend vertical transportation
into your home.

It's more than just an elevator.
It is a piece of contemporary design
that adds value to your home both
visually and technologically.

Freedom of integration

Refurbishing your home

Forget everything you thought you knew about elevator installation. Without the need for a full concrete shaft or high voltage power, the Schindler X8 opens up new possibilities. It integrates seamlessly into existing spaces, enhancing both immediate comfort and long-term value.

The Schindler X8 is designed to bring your vision to life. With elegantly crafted interiors, seamlessly integrated doors, and an enhanced user experience, it doesn't just add a unique touch to your space it redefines it.

Building a new home

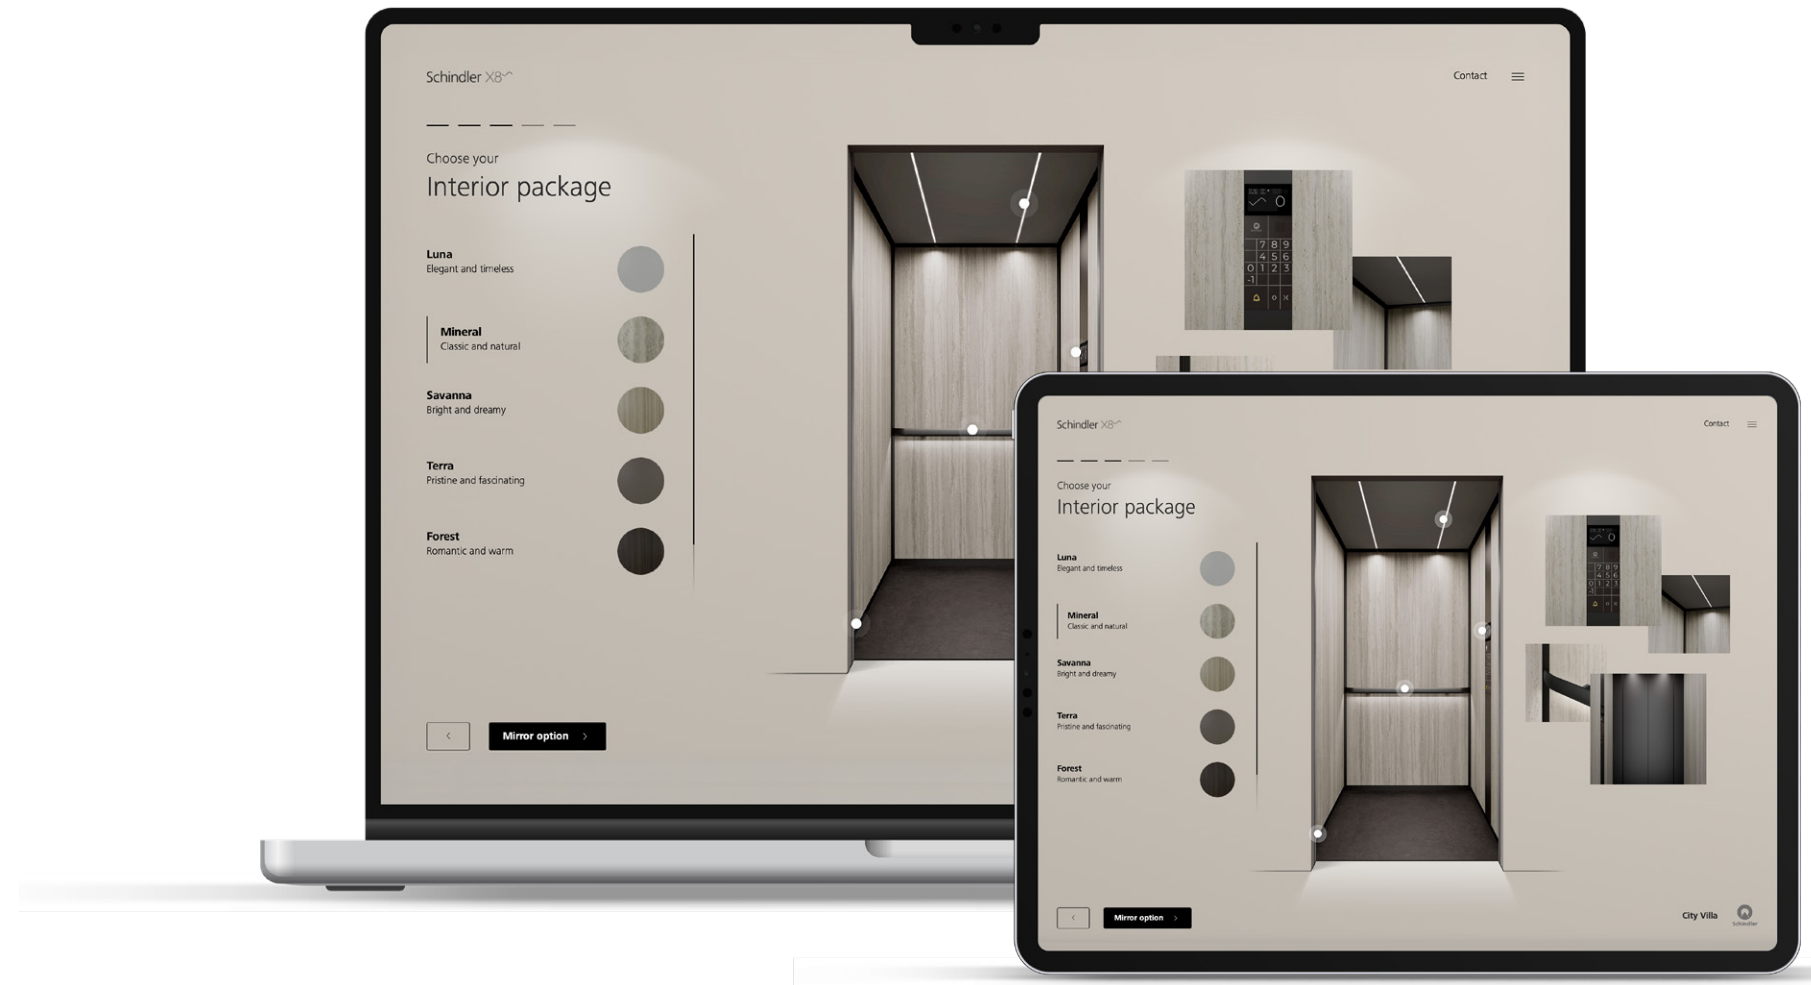

For too long, elevators have dictated architectural design, letting technical constraints shape living spaces. The Schindler X8 changes everything. By adapting to your building's design rather than defining it, it gives you the freedom to create spaces that truly express your vision.
